

Bassett Green Primary School Values

BASSETT GREEN
PRIMARY SCHOOL

Dear Parents/Carers

At Bassett Green Primary School, each child is at the heart of all that we do. We aim to guide and support children's development, shaping them for life as well as giving them the essential tools for learning.

We feel that our values represent the most important skills and qualities for children at Bassett Green to develop to be successful at school and beyond.

All our rewards and consequences will have our shared values at their core, and staff will constantly refer to the values when working with children. You will shortly see stickers and certificates coming home to show you how well your child is developing these key skills.

I hope that this booklet is useful to help you understand our school values, and to discuss these with your children.

Mrs Bannister

Headteacher

Respect

RESPECT is our golden rule and has a yellow logo.

We know that we must show RESPECT to others in our community, as well as our buildings and resources.

Ways that we should show RESPECT are:

- ☐ Saying please, thank you and excuse me
- ☐ Listening carefully to our teachers and friends
- ☐ Being kind and friendly to all in our school community, and accepting that we are all different
- ☐ Tidying away and looking after our school and our equipment
- ☐ Behaving calmly and sensibly around the school site

Challenge

CHALLENGE has a green logo and a symbol of a target.

We know that we must CHALLENGE ourselves to get the best out of our learning, and always aim to do our best.

Ways that we could CHALLENGE ourselves are:

- ☐ Having the highest expectations of what we can achieve
- ☐ Choosing a piece of work that we might find difficult to start with
- ☐ Aiming to reach a target, or achieve a goal
- ☐ Trying to get better at a particular skill

RESILIENCE has a blue logo and a mountain, to remind us that the

journey to success is sometimes tough.

We know that we must show RESILIENCE and never give up when we are doing something that we find hard.

Ways that we should show RESILIENCE are:

- ☐ Never giving up on our work
- ☐ Accepting that we will make mistakes and not always get the right answer
- ☐ Learning from our past experiences to help us succeed

TEAMWORK has a red logo and a symbol of a jigsaw, to remind us that we all have a part to play in school life.

We know that we must work as part of a TEAM to achieve our very best in life.

Ways that we should show good TEAMWORK are:

- ☐ Sharing and taking turns
- ☐ Communicating well with others in our team
- ☐ Joining in with all activities in our classroom
- ☐ Helping one another to succeed
- ☐ Understanding that we all have different strengths
