

Year R: Our Learning

Friday 27th March 2026

Messages for Parents/Carers –

This week we had a super session joining Year One for hot cross buns as part of their Easter learning. It is the first chance the children have to visit the Year One classrooms and always helps them to begin to understand that next year these will be their classrooms. We hope you have a restful Easter break.

This week we are thinking all about **dragons**

In your family can you complete some of these home learning challenges?

You can upload photos onto Tapestry. Please title your post My home learning.

We can't wait to see how much fun you have learning about **dragons** at home!

Terrific talk words

Amazing Independent

Roar Possible

Preserve Friendship

Let's see what we can find today!

I can do it if I can keep trying!

Let's think about it!

Curious Crab

Our story books this week are all about dragons. Can you design or make a model of a pet dragon? What would be your dragon's name and what could they learn if they went to dragon school? Maybe you could draw a picture with codes to show us what happens in your dragon adventure!

Trying Turtle

On the reverse of this sheet are all the phonic sounds that we have learnt so far. Please practise reading and writing them at home. You could use this sheet to help you when you write your fantastic dragon adventure.

In school when we write our letters all letters except **d** and **e** are written by starting at the top.

Solving starfish

Many of you will be enjoying some delicious Easter eggs in the holidays. In this counting game you can give Teddy some Easter eggs too! Use your counting skills and number recognition to 15 to give him the right numbers of eggs.

Our **phonics** the sounds that we have been revising in school this week are **j, v, w, x**

Our **tricky words** that we have learnt this week are **her** and **they**

Our **maths** learning this week has been about **doubling and halving numbers within 10**
