Let's see
what we can
find today!

I can do it if
I can keep
trying!

Let's think
about it!

Curious Crab

Who is your favourite real-life superhero?

Could you design and make a real-life superhero handprint? Maybe a doctor, a vet or firefighter? Is there someone in your family who is a real-life superhero? Can you ask them all about their job?

Trying Turtle

In our maths learning this week we have been sharing objects into equal groups. Can you share some toys into two or three equal groups remembering that each group must have exactly the same number when you count them?

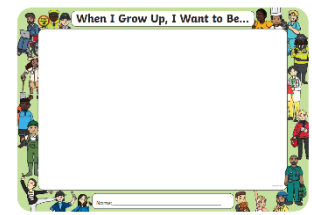

Maybe you could help to share food between your family at dinner time making sure that everyone has the same amount?

Solving starfish

What job would you like to do when you grow up? Do you want to be a real-life superhero too?

On the reverse of this sheet can you draw and label a picture to show us what job you would like to do?

Our **phonics** the sounds that we have learnt in school this week are **j** and **v**

Our **tricky word** that we have been revising this week are **he** and **she**

Our **maths** learning this week has been about **sharing into equal groups**.
