

# Year R: Our Learning

Friday 30<sup>th</sup> January 2026

## Messages for Parents/Carers

**Parent reading session** – Please join your child for a special reading session on **Thursday 5<sup>th</sup> February from 8.30am-8.50am**. It is a lovely opportunity to share books with your child be part of their learning journey.

**Friday 6<sup>th</sup> February** is NSPCC Number Day. Children can come to school dressed in clothes with numbers on them for a small donation to the NSPCC. We will have lots of number-based learning throughout the day.

This week we are thinking all about **Pets**

In your family can you complete some of these home learning challenges?

You can upload photos onto Tapestry. Please title your post My home learning.

We can't wait to see how much fun you have learning about **pets** at home!

### **Curious Crab**

What pet would you choose if you could choose any pet?

Can you make a picture showing the pet you would choose, what they would like to eat, what you would call them and what they like to play with?

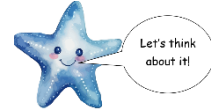

### **Trying Turtle**

Can you decorate some biscuits to make them look like a pet cat or a pet dog for you to eat?

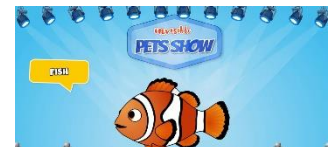

Or can you bake some special biscuits for your dog or a dog that you know? You will need to make sure the recipe is healthy for the dog.

### **Solving starfish**

Can you guess which pet is being revealed at the pet show? Watch carefully and try to decide. Can you pause the screen and see if your family all agree?

Our **phonics** sounds that we have learnt to read and write in school this week are **f** and **l**

Our **tricky words** that we have been revising this week is **go**

Our **maths** learning this week has been about **seasons, months and days of the week**.
