

Year R: Our Learning

Friday 24th October 2025

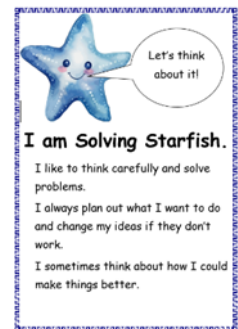

Messages for Parents/Carers

The staff team in YR would love to share with you how super proud we are of all the children and how well they have settled into school life as part of our Bassett Green family. Next week is half term followed by a staff Inset day when school is closed to pupils, but we look forward to seeing you on Tuesday 4th November for another busy half term of learning.

Characteristics of Learning.

We will be using three special characters to develop how we learn over the year. Each character is linked to a different way of learning, thinking and exploring. This week we have been learning how to be a **Solving Starfish**. We are learning to think carefully and solve problems. To plan out what we want to do and change our ideas if they don't work. We are beginning to sometimes think about how we could make things better next time.

This week we are thinking all about **shape**.

In your family can you complete some of these home learning challenges?

You can upload photos onto Tapestry. Please title your post My home learning.

We can't wait to see how much fun you have learning about **shape** at home!

Can you a make a pattern with shapes?

Can you make a repeating pattern with two different shapes?

Can you use shapes to make a picture?

What shapes can you see when you go for a walk?

Can you spot 2D shapes when you walk down your street?

How many of each shape did you spot?

Square <input type="checkbox"/>	Triangle <input type="checkbox"/>
Rectangle <input type="checkbox"/>	Circle <input type="checkbox"/>

Can you match the shapes?

<https://www.bbc.co.uk/cbeebies/puzzles/tinpo-shape-sorter-quiz>

Our phonics sounds that we have learnt this week in school are **z r j th qu**

Our maths learning this week has been about recognising to compare sets with **more than or fewer than**
