

Year R: Our Learning

Friday 11th September 2026.

Messages for Parents/Carers

Welcome to Year R! We are so excited to be starting this special journey with you. Every week we will send home an 'Our Learning' sheet with information about our school learning, messages about Year R and some things you can do with your child at home to help them with their learning.

This week we would like to find out about your child and some of the things they really like.

This week we are thinking all about **getting to know each other**.

In your family can you complete some of these home learning challenges?

You can send in a picture that you have made or upload photos onto Tapestry. Please title your post My Home Learning.

We can't wait to see how much fun you have telling us all about yourself!

We will look at the photos and pictures during our show and tell sessions encouraging the children to talk about them.

What is your favourite colour?

Can you make a collection of things that are all your favourite colour?

Do you have some clothes in your favourite colour?

Can you make a picture using your favourite colour?

What is your favourite food?

Why do you like this food?

When do you eat it?

Have you ever helped someone to make it?

What do you like to play with?

What toys do you like to play with at home?

What games can you play with your toy?

Why do you like playing with this toy?
